

## **AGENCY RULE-MAKING ACTIVITY**

During 2005, state agencies filed nearly 16,000 pages of administrative rules with the Code Reviser's Office under chapter 34.05 RCW, the Administrative Procedure Act. Table 1 summarizes this activity and compares it with the volume for past years.

All of this material has appeared in the Washington State Register, published twice monthly by this office.

Table 2 summarizes permanent agency action by WAC sections, units that can be compared to RCW sections in approximate length.
